Trying to bring closure to the sidetracking, then will transfer FR Notice language to other pieces. Any other thoughts on the rest of the tribal consultation letter (first 4 paragraphs I'll pull from FRN), completeness letter, or agency notification letter (paragraphs 2-4 I'll pull from FRN)?

Subject: Fed reg notice and other docs

Just wanted to check on the edited fed reg notice and see where we are. I did accept most of the suggested language. And I know the next step was for conforming the other letters etc to use the same descriptive language.

I know we got side tracked with other stuff yesterday. Do we need to talk before the 11 call?

Phil
